

BLACK DOT

Meet the Black Dot office chair by Sedus, a beloved chair in our current range and a testament to enduring comfort and style. Favored by many for its exceptional comfort, the Black Dot is an excellent choice for those long working days, providing the support you need to stay productive and focused.

Features at a glance:

- **Versatile armrest options:** Available with or without armrests, allowing you to tailor the chair to your specific needs and preferences.
- **Ergonomic adjustability:** The Black Dot features an height-adjustable seat as well as a sliding seat, ensuring you can customize it for the perfect ergonomic fit.
- **Adjustable armrests:** The armrests are fully adjustable, enabling you to set them at the ideal height for maximum comfort and support.
- **Enhanced mobility:** It comes with a sturdy 5-star base equipped with black soft wheels designed specifically for hard floors, ensuring smooth and easy movement.
- **Premium upholstery:** Upholstered in high-quality Atlantic fabric from Gabriel, the Black Dot chair combines durability with a sophisticated look.

Why choose Black Dot?

The Black Dot office chair isn't just a seating solution; it's a favorite choice for many due to its unparalleled comfort and adaptability. Whether you're outfitting a home office or upgrading a corporate workspace, this chair's customizable features and sleek design makes it an indispensable addition to any environment.
