

MR. 24

WE CREATE TEAMS

DENCON

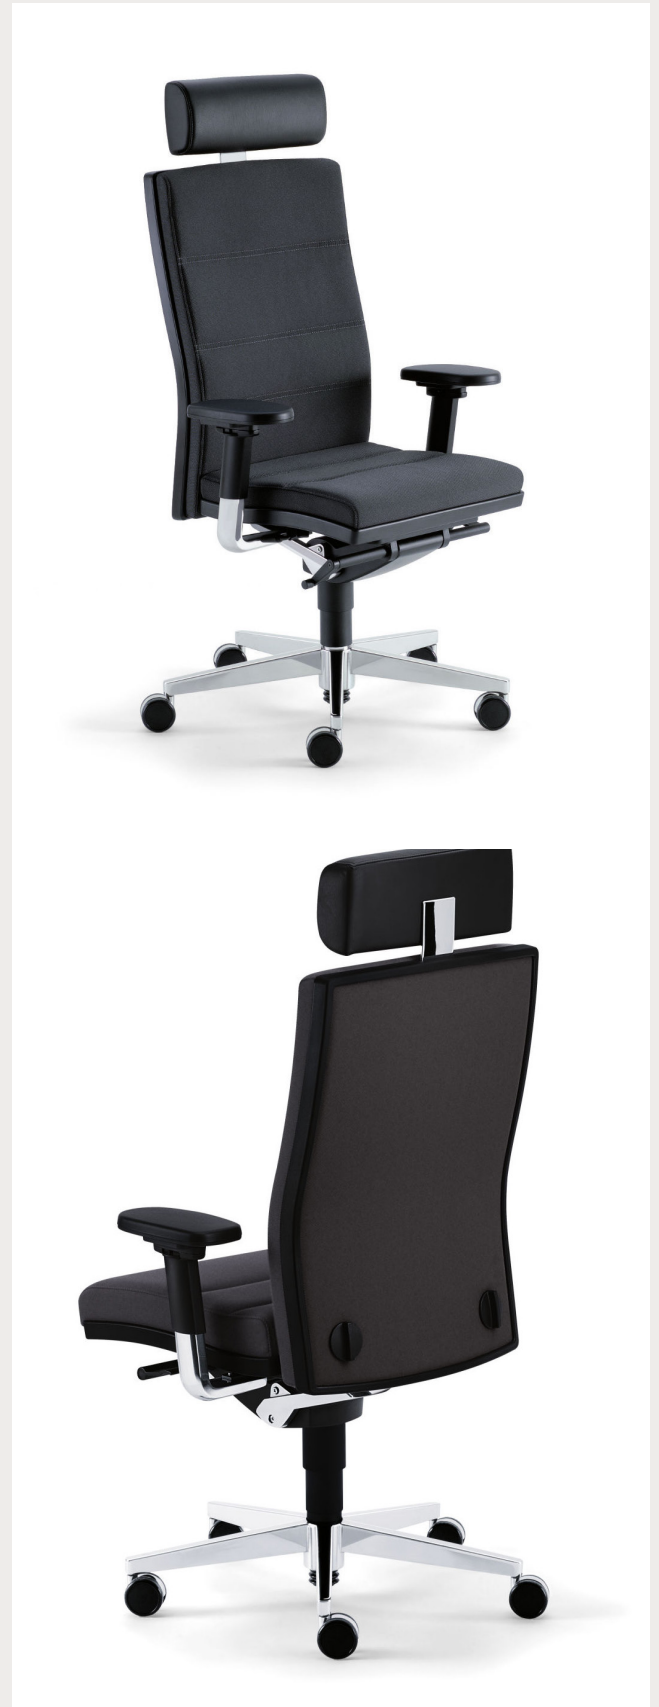

Meet Mr. 24, the office chair that stands head and shoulders above the rest. Designed for those who demand the utmost in comfort and durability, Mr. 24 is perfect for directors and professionals who need a chair that can handle round-the-clock use. Known as the "surveillance chair," Mr. 24 is engineered to provide unparalleled support and comfort for up to 24 hours straight.

Key features:

- **Unmatched durability:** Mr. 24 can support up to 200 kg, making it one of the most robust office chairs on the market.
- **Adjustable comfort:** With a high backrest, lumbar support and an adjustable headrest, Mr. 24 offers customized ergonomic support tailored to your needs.
- **Premium upholstery:** The seat and back are upholstered in luxurious Phoenix Havana black textile, combining elegance with lasting comfort.
- **Sophisticated armrests:** The adjustable armrests feature a soft touch surface, providing additional comfort and support.
- **Sturdy base:** Built on a 5-star aluminum base with soft wheels, Mr. 24 ensures stability and smooth movement, enhancing your overall seating experience.

Why choose Mr. 24?

Mr. 24 is not just an office chair; it's an investment in superior comfort and functionality. Ideal for high-stakes environments and intensive use, this chair is a favorite for projects where seating comfort is non-negotiable. Experience the ultimate in office seating with Mr. 24. Elevate your workspace with a chair that delivers on both comfort and durability, ensuring you remain productive and comfortable, no matter how long your workday lasts.
