WE CREATE TEAMS

DENCON

Elevate your workspace with the se:kit office chair, the latest innovation from Sedus that has taken the office furniture world by storm. Proud recipient of the prestigious Red Dot Design Award, the se:kit series combines exceptional comfort with a minimalist, lightweight design, making it the ideal choice for long working days.

## Features at a glance:

- **Versatile upholstery options:** Available in a fully upholstered version or with a breathable membrane back, catering to your aesthetic and comfort preferences.
- **Ergonomic excellence:** Equipped with synchronous control and automatic weight adjustment, the se:kit ensures optimal support and comfort tailored to your body's needs.
- **Customizable comfort:** Features an adjustable backrest and seat, allowing you to find your perfect seating position. The seat is upholstered in elegant black Camira fabric, while the backrest options include either an anthracite membrane or matching Camira upholstery.
- **Enhanced mobility:** The robust 5-star base comes with soft black wheels designed specifically for hard floors, providing smooth and effortless movement.
- **Optional armrests:** Personalize your chair further with additional armrests, available for purchase separately, to enhance your comfort and support.

## Why choose se:kit?

The se:kit office chair is more than just a seating solution; it's a statement of style, comfort, and functionality. Whether you're outfitting a home office or a corporate workspace, this chair's adaptable features and sleek design makes it a perfect addition to any environment.
